Dear diary,

I'm very happy today. You know I'm shy and quite silent, but yesterday I was different. Why? Well, you know, I saw Gianni yesterday morning at school. He talked to me!!! He invited me to the cinema in the afternoon. My face was red. At midday I went home, but I didn't have lunch. I wasn't hungry!!!

At five in the afternoon, I was at the shopping centre. He was there too. We went to one of the cinemas there and saw a film together. I can't

remember the film, I was up in the clouds. We had a cola and a hamburger after the cinema, and I talked a lot! Then we walked home. My mother was very anxious. "Did you have a nice time? Was he nice to you? What did you do?" She had lots of questions!

Now I'm in my bedroom. I'm writing about this incredible experience. OMG, I think I'm in love ♥♥♥
