This week at the International School, let's meet family members. Who's your favourite person in your family? Write to us!

Hello! Do you remember me? I'm Fletcher. Who's my favourite relative? Well, Agatha, my grandmother, of course. She's my mum's mother. She's not old, she's only fifty-eight. She's very beautiful, and she's fantastic. I like her house, too. There's a small living room with a table and six chairs, and a big sofa. She's got plants on the table. The kitchen is big, with a big fridge, two sinks and a microwave oven. There isn't a room specifically for laundry, so there's a washing machine and a dishwasher there too. It's a big kitchen. There are two bedrooms, one for my granny and grandpa, and one for my brothers and I. There are three bunk beds in the bedroom and a desk (for our homework!). There's a bathroom and a toilet with a small shower. That's fantastic! There's a garden full of plants and flowers, but there isn't a garage. My granny hasn't got a car. This is a photo of Jules, her dog. He's cute!

2 Read again and write T (true) or F (false).
